# Beckway Road SW16 4HA

Offered to the market with no onward-chain Oaks of Streatham are delighted to present this truly rare example of the Streatham Vale 1930's family home. Beckway Road has been fully refurbished to an extremely high specification and benefits from being positioned on a corner plot which gives it the added benefit of off-street parking in the forms of a drive and a garage and larger than average garden that has a stone patio area. As you enter the property itself you will be greeted by a bright and airy entrance hall that opens out on to a large open-plan living space with tastefully chosen kitchen units and downstairs W/C. As you make your way to the first floor you will find three bedrooms and a beautifully finished family bathroom configured in the traditional 1930's layout. The property further benefits from being a short walk to a variety of well-connected transport links and amenities along with being positioned within catchment to several reputable local schools.
