Ashburton Road, CR0 6AQ

A vast and deceptively spacious one bedroom apartment located within the East India Way conservation area. Offering a huge 655 sq. ft. of living space, Wesson House comprises; One large double bedroom, spacious reception room, good size kitchen and bathroom suite. The property further benefits from ample storage space, a garage and share of a communal well-kept garden. Location in the heart of Addiscombe, the property could not be better placed for any commuter requiring access into The City for work. Both Addiscombe and Sandilands tram stops are within walking distance and offers convenient access into East Croydon / Wimbledon one way and Beckenham in the opposite direction. East Croydon station offers direct services into London via Clapham Junction, Victoria and London Bridge in
